Science-Backed Roles of **ENERGYDECC™** Ingredients

Korean Ginseng (200 mg)

- Enhances mitochondrial energy metabolism, increases nitric oxide (NO) production, and supports adrenal and cognitive function.

Taurine (125 mg)

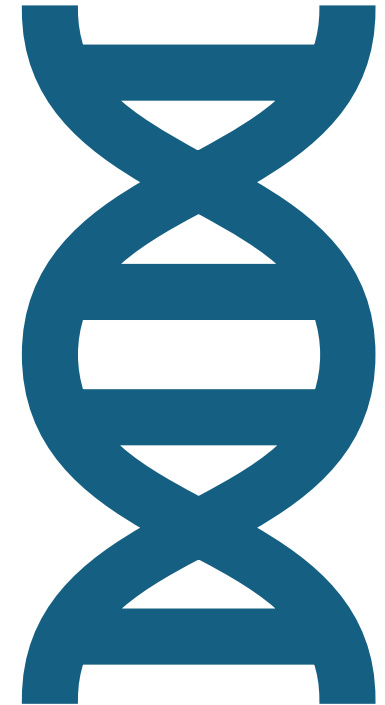

- Regulates calcium signaling in muscle and cardiac cells, aiding in ATP production and reducing oxidative stress.

Niacin (Vitamin B3) (4 mg)

- Essential in NAD⁺/NADH formation for energy metabolism (glycolysis and Krebs cycle).

Pantothenic Acid (Vitamin B5) (1 mg)

- Forms Coenzyme A for carbohydrate, fat, and protein metabolism into ATP.

Science-Backed Roles of ENERGYDECC™ Ingredients

Vitamin B6 (1 mg)

Supports amino acid metabolism, glycogen breakdown, and neurotransmitter synthesis.

Guarana Seed Extract (50 mg)

Natural caffeine source enhancing alertness and reducing fatigue.

Green Tea Extract (50 mg)

Contains caffeine and L-theanine to improve focus and fat oxidation.

Sodium (100 mg) & Potassium (150 mg)

Regulate nerve impulses and muscle contraction, preventing fatigue.

Coffee Seed Extract (15 mg)

Provides caffeine that blocks adenosine, boosting focus and endurance.

Slimdecc: Targeted Support for Effective Weight Wellness

Slimdecc empowers your journey with a focused **3-pronged approach**:

- **Fat Metabolism** – Enhances the body's ability to break down and utilize stored fat.
- **Appetite Control** – Helps manage cravings and reduce overeating.
- **Fat Burning & Regulation** – Supports sustained fat loss and healthy metabolic balance.

SlimDeccTM
Herbal Actives for Metabolic Wellness

Ayurvedic Proprietary Medicine

Composition : Each Coated Tablet Approximately Contains :

Ingredients	
Amla extract (emblica officinalis)	30 mg
Harad extract (terminalia chebula)	30 mg
Kakamachi extract (solanum nigrum)	30 mg
Saunth extract (zingiber officinalis)	30 mg
Methi extract (trigonella foenumgraecum)	40 mg
Lahsun extract (allium sativum)	40 mg
Medohar guggulu (classical medicine)	130 mg
Kutki extract (picrorhiza kurroa)	30 mg
Coffee extract (coffea arabica)	100 mg
Garcinia cambogia extract	500 mg
Green tea extract	20 mg
Conjugated linoleic acid (CLA)	50 mg
Glucomannan	100 mg
Forskolin (coleus forskohlii)	25 mg
Apple cider vinegar	10 mg
Saunf extract (foeniculum vulgare)	10 mg

Science-Backed Roles of SLIMDECC™ Ingredients

Enhanced Fat Oxidation / Increased Metabolic Rate

- Ingredients such as green tea extract, caffeine/coffee extract, CLA, forskolin, and ginger stimulate thermogenesis and fat oxidation, helping the body burn more calories from fat.

Suppression of Appetite / Improved Satiety

- Fibers glucomannan, fenugreek (methi), apple cider vinegar, and fennel promote fullness and delay gastric emptying, reducing calorie intake.

Reduced Fat Storage / Inhibition of Lipogenesis

- Garcinia cambogia (HCA), Guggulu, and various polyphenols inhibit enzymes responsible for converting carbohydrates into fat, reducing new fat formation.

Support for Body Composition

- Forskolin and CLA help decrease fat mass while preserving or increasing lean body mass, improving overall body composition.

Science-Backed Roles of SLIMDECC™ Ingredients

Improved Lipid Profile and Cardiovascular Health

- Herbal extracts such as amla, guggul, Kutki, and garlic improve cholesterol balance and support heart health while aiding weight loss.

Better Glucose Regulation & Insulin Sensitivity

- Green tea, coffee extract, garlic, and fenugreek enhance insulin sensitivity and control post-meal glucose spikes, preventing excess fat accumulation.

Support for Liver and Digestive Health

- Kutki supports liver detoxification and metabolism, while ginger and fennel aid digestion, reducing bloating and enhancing nutrient absorption.

Mild Detox / Anti-inflammatory & Antioxidant Effects

- Herbal antioxidants and polyphenols combat oxidative stress and inflammation, supporting healthy metabolism and recovery.

Reduction in Abdominal / Visceral Fat

- Certain ingredients help specifically reduce belly fat through improved insulin action and fat oxidation

Science-Backed Roles of SLIMDECC™ Ingredients

Synergistic Multi-Pathway Action

Combines multiple mechanisms — thermogenesis, appetite control, and metabolic enhancement — for a holistic fat loss approach.

Support During Calorie Restriction

Reduces hunger, maintains metabolism, and preserves muscle during calorie-restricted diets.

Convenience & Simplification

Offers a single supplement combining diverse natural extracts for comprehensive metabolic wellness and weight management.

Reactive Go Advance: Nutritional Support for Weight Wellness

Reactive Go Advance complements your wellness journey with a targeted **3-way support system**:

- **Provides Essential Vitamins** – To maintain energy and overall health.
- **Supplies Key Minerals** – To support metabolic and cellular functions.
- **Delivers Vital Amino Acids** – To aid muscle maintenance and recovery.

Reactive GoTM Advance

NUTRATABTM is a specialized nutrient delivery technology for scientifically & synergistically acting nutrients, easy to swallow & assimilate & soft on stomach.

Science-Backed Roles of Reactive Go Advance™ Ingredients

Minerals

- Dicalcium Phosphate: Bone strength, muscle contraction, sustained energy release.
- Calcium Phosphorus: Supports skeletal integrity and ATP energy formation.
- Potassium: Electrolyte balance, nerve-muscle coordination, reduces fatigue.
- Zinc: Immunity booster, antioxidant, supports hormonal balance.
- Iron: Increases hemoglobin, reduces tiredness.
- Magnesium: Prevents cramps, supports 300+ metabolic reactions.
- Manganese: Energy metabolism and antioxidant defense.
- Copper: Enhances iron absorption and immunity.
- Boron: Supports bone health and muscle recovery.
- Molybdenum: Detoxifies sulphites and supports amino acid metabolism.
- Iodine: Essential for thyroid hormone production.
- Chromium: Regulates blood glucose and cravings.
- Selenium: Antioxidant, supports thyroid function.

Science-Backed Roles of Reactive Go Advance™ Ingredients

Vitamins

Vitamin A: Improves vision, skin and immunity.

Vitamin B1: Converts carbs to energy; boosts brain & nerve function.

Vitamin B2: Supports energy metabolism & antioxidant action.

Vitamin B3: Increases cellular energy and supports lipid balance.

Vitamin B5: Essential for hormone and energy synthesis.

Vitamin B6: Protein metabolism, neurotransmitter support.

Vitamin B12: Nervous system health & red blood cell formation.

Vitamin C: Powerful antioxidant for immunity & collagen.

Vitamin D3: Calcium absorption, muscle and immune support.

Vitamin E: Protects cells from oxidative damage.

Vitamin K2: Directs calcium to bones, prevents calcification.

Folic Acid: Supports RBC formation and mood balance.

Biotin: Enhances hair, skin, nails & energy.

Beta-Carotene: Antioxidant protecting vision and immunity.

Science-Backed Roles of Reactive Go Advance™ Ingredients

Amino Acids

- Choline Bitartrate: Supports brain focus and fat metabolism.
- L-Glutamic Acid: Improves neurotransmission and gut health.
- L-Lysine: Collagen synthesis and immunity.
- L-Arginine: Boosts blood flow and stamina.
- L-Cysteine: Precursor to glutathione antioxidant.
- L-Glutamine: Muscle recovery & gut immunity.
- L-Histidine: Anti-inflammatory & tissue repair.
- L-Tyrosine: Improves alertness and stress handling.

Science-Backed Roles of Reactive Go Advance™ Ingredients

Amino Acids.

- L-Proline: Supports joint and skin health.
- L-Serine: Brain cell repair.
- L-Leucine: Triggers muscle protein synthesis.
- L-Threonine: Supports immunity & collagen.
- L-Tryptophan: Mood & sleep regulation.
- L-Isoleucine: Energy & glucose regulation.
- L-Valine: Endurance and muscle repair.
- L-Phenylalanine: Mood & mental energy.
- N-Acetyl Cysteine: Detoxifier; supports lung health.

Science-Backed Roles of Reactive Go Advance™ Ingredients

Herbal & Plant Extracts

Ginseng: Enhances stamina and immunity.

Green Tea Extract: Antioxidant, metabolism booster.

Catechins: Strong antioxidant and fat support.

Grapeseed Extract: Improves circulation and cell protection.

Brahmi Extract: Memory, focus & stress control.

Piperine: Boosts absorption 30–200%.

Garlic Extract: Heart health & immunity.

Omega & Lipid Actives

ALA Omega-3: Reduces inflammation & supports brain health.

Oleic Acid: Supports heart and cellular health.
